Jeanette Charters, Smoking Cessation Instructor, 308-5613

### **District Health and St. Luke's Magic Valley Offer Tobacco Cessation Classes**

South Central District Health and St. Luke's Magic Valley will offer the American Cancer Society's "Fresh Start" program to help adults quit using tobacco. The FREE six-week classes will be offered on Mondays and Thursdays, May 7 through May 24, from 6:30 – 7:30 p.m. at St. Luke's Education Building, 595 Addison Ave. West. Classes will be held in the Sunflower Room. Registration for the class can be made by calling Jeanette Charter, smoking cessation instructor, at 308-5613, or Tami Pearson, Tobacco Program Coordinator for South Central District Health, at 737-5945.

The "Fresh Start" program is specifically designed for those who are tired of their addiction. It builds skills and knowledge to help reduce and eventually end tobacco use. Participants will learn skills to communicate better, handle stress, make decisions, set goals, eat healthy, and exercise.

Smoking is the single most preventable cause of death in the United States. More than 440,000 people die every year in United States from using tobacco products. That is 1,200 everyday. For every tobacco-related death, 20 others suffer significant health issues with decreased quality of life.

Space is limited in the free class so participants are urged to register early.
